Dear HONORABLE HAROLD BAER, JR.,

On March 3, 2008, I received a "Report and Recomendation" from United States Magistrate Judge FRANK MASS asking that my petition for "writ of habeas corpus" be denied for failure to show the denial of constitutional rights. Because access to the facilities law library is limited, I'm requesting an extension of at least (60 days) until May 3rd, 2008, to file objections to the "Report and Recomendation" by United States Magistrate Judge FRANK MASS. Thank you in advance for your time and consideration in this serious matter.

Truly yours:
